Academic Preparatory School (APS) offers one-year intensive language courses open to the public.

1. Each course lasts 2 semesters, i.e. 10 months. The classes are taught in small groups (not more than 12 students), Monday through Friday, usually between 9 a.m. and 2 p.m. Some courses start in mid-October and finish in mid-July, some start in early March and finish in late February. Students can choose whether they want to start in October or in March.
2. Each course is a package including **600 classroom hours of English** and **200 classroom hours of Polish**. The target proficiency level for both languages is B2.
3. **The tuition fee charged by the School is € 2 200,00 (in words: two thousand and two hundred Euros) for the Students.**
4. The courses are open to the public, so everybody is welcome and the formalities are minimal. The documents the candidate is required to submit include:

If they are denied the student visa, ATINS will reimburse them for the course after deducting 150 Euros (administrative fee). In order to receive the refund the student must produce a written document from the Embassy, Consulate, or visa centre stating that s/he has been refused a student visa.
