2024/2025 recruitment

Do you want to study Computer Science in English?

We have good news for you….

2024/2025 RECRUITMENT

online recruitment;

registration fee;

free-of-charge preparatory courses in mathematics, information technology, physics, chemistry, and English;

studies in English.

Our students can:

take part in numerous programmes enhancing occupational skills (free-of-charge CCNA and Fluke Networks certificates);

participate in the ERASMUS+ international exchange programme;

follow their passions and interests in student research clubs;

broaden their knowledge through open lectures.

The Technical Academy of Informatics in Applied Sciences is a combination of the following:

three study programmes in Polish and two in English;

experienced academic staff;

high quality of education in each programme confirmed by a positive evaluation by the Polish Accreditation Committee (PKA);

computer labs and other specialized laboratories.

Don't wait. Enrol today!
